

Creating a Thriving Community Through Informed and Connected Leaders

2024 IMPACT REPORT

Knowledge. Skills. Connections.

“Leadership Fauquier’s community leadership program contributes to our flourishing community and helps develop leaders who want a better understanding of themselves and how our community works. I have learned the successes we have within our community require ongoing work to understand each other, the needs of our community and its people, and to have a positive impact on our overall goals. I am grateful to the Leadership Fauquier sponsors, Board of Directors, cohorts, alumni, and all the other community partners who have supported the pathway to create a thriving community through informed and connected leaders and I look forward to our continued success.

I personally invite you to engage in our efforts at Leadership Fauquier by participating in our program, helping us to spread the word about what we do, and engaging your business and the other organizations you are affiliated with in supporting our efforts. ”

With gratitude,
Deanna Hammer
Executive Director
